# Dún Laoghaire College of Further Education

---

DCFE is located at Cumberland St, Dún Laoghaire. It offers a range of full-time programmes in Business, Computing, Design and Technology, Media Studies, Health and Sports and Administration and Technology. Most courses on offer are certified by FETAC and allow learners progress under the Higher Education Links Scheme. In addition, DCFE offers a number of Adult Education Programmes for day learners and a one year Repeat Leaving Certificate Programme. In September 2005, it strengthened links with third level education by offering a Certificate in Community Education in conjunction with Dublin City University.

DCFE is one of just two VEC Colleges in Ireland that continue to provide Apprenticeship Programmes. The Apprenticeship School offers courses in Carpentry and Joinery, Cabinet Making and Block/Bricklaying. Courses are run in conjunction with FÁS and equip learners with the skills and theoretical knowledge necessary to work to the highest standard in their chosen trade.
